

GUTTER HELMET® PRODUCTS

Manufacturer's Limited Warranties

➤ **Lifetime Material Warranty**

American Metal Products warrants to the original consumer purchaser that the Gutter Helmet® products covered by these Warranties will be free of defects due to faulty material or workmanship for the lifetime of the original consumer purchaser of the Gutter Helmet® product, under normal use and maintenance, normal exposure to sunlight, temperature and other natural elements, and subject to the exceptions, limitations, disclaimers and other terms and conditions contained in these warranties.

➤ **Performance Warranty**

American Metal Products warrants to the original consumer purchaser of the Gutter Helmet® products covered by this Performance Warranty, that Gutter Helmet® products will keep gutters freeflowing, subject to the exceptions, limitations, disclaimers and other terms and conditions contained in these Warranties. Freeflowing is hereby defined as the movement, or the act of flowing, rinsing or circulating of rainwater. Gutter Helmet® products are engineered to transfer all but inconsequential droplets of runoff water into the gutter when properly installed and maintained. It is the responsibility of the installing dealer to assure that the Gutter Helmet® system is performing as designed and has been properly attached to your home without damaging the integrity of the structure. Gutter Helmet® products may be installed over or under shingles as per factory specifications.

➤ **Conditions**

It is a requirement that gutters and downspouts be thoroughly cleaned, gutters properly aligned and sloped, and all downspout screens removed at the time of installation of the Gutter Helmet® system.

➤ **Warranty Service**

Any claim for performance failure or defects under this Warranty must be submitted to the installing dealer for service or resolution. All claims must be submitted within the Warranty period promptly after discovery of the claimed defect, describing the defect claimed and referring to the date of installation and proof of purchase. Reasonable time should be allowed for inspection purposes. Any claim for defects in material under this Warranty must be submitted by registered mail, in writing, to American Metal Products, Gutter Helmet® Warranty Desk, 8601 Hacks Cross Road, Olive Branch, MS 38654. The obligation of American Metal Products under this Warranty shall be performed only by persons designated by American Metal Products for that purpose and is subject to all other provisions of this Warranty. If, after inspection, American Metal Products determines that the claim is valid in accordance with the terms of the Warranty, American Metal Products agrees, only and at its option, to repair, replace or refund the purchase price of the failing part of the Gutter Helmet® product. If American Metal Products, at its option, determines to replace defective Gutter Helmet® product, and if Gutter Helmet® product as originally installed is no longer available, American Metal Products shall have the right to substitute Gutter Helmet® product designated by it to be of equal quality. A color variance may occur between any new replacement product in comparison to the originally installed product due to weathering exposure and is not indicative of a defective product. If, at American Metal Products' option, a purchase price refund is conveyed to the original consumer purchaser, all warranties are terminated, and repair, replacement or removal of the Gutter Helmet® product shall become the sole responsibility of the original consumer purchaser. Warranty service, and/or payment in lieu of service, may be affected by the occurrence of outstanding installation debt by the original consumer purchaser to the installing dealer. Service calls for non-warranty repair or adjustment may result in a service charge.
